Corvuss American Academy, India's inaugural international residential school tailored for student-athletes, represents a pioneering effort to revolutionize the interplay between education and sports in the country. With a steadfast commitment to nurturing both girls and boys gifted in sports, the academy facilitates the honing of their athletic prowess while simultaneously ensuring the pursuit of internationally recognized academic qualifications. This dual focus is strategically designed to empower students to secure admissions to prestigious colleges worldwide. Since the opening which was on October 5, 2020, the academy has been diligently following government guidelines to provide a holistic and secure environment for sports training.

The School Community

Nestled in the scenic beauty of Karjat, Maharashtra, the Corvuss American Academy spans an impressive 44 acres and lies close to the urban hubs of Mumbai and Pune. At Corvuss, we recognize the concerns parents might have about their child's well-being, especially when they are far from home. The safety and security of our student-athletes and the entire Corvuss community are paramount. Through meticulous campus design, stringent rules and regulations, and the integration of advanced technology, we ensure a safe and world-class environment conducive to growth and excellence. The campus is embraced by the verdant greenery of surrounding trees and the picturesque Matheran hills, offering a tranquil and self-sustaining sanctuary for our student-athletes. Committed to environmental stewardship, we embrace sustainability through energy-efficient architectural designs, water harvesting practices, solar panel usage, and nurturing an organic vegetable garden, all contributing to a harmonious and eco-friendly campus life.
