

## FROM THE DESK OF THE HEAD OF ACADEMY

**-MS. ELAMMA AUGUSTINE**

Dear Parents and Guardians,

Greetings from Corvuss American Academy.

Our students are currently busy with Term 3 Examinations which are scheduled to conclude on 16th April 2024. Following this we will promptly prepare and dispatch the Report Card to you. We are pleased to invite you to our up-coming Open House on 26 April, 2024 from 1:00 p.m. to 4:00 p.m. This is an opportunity for you to engage in meaningful discussions regarding your ward's academic progress, training and participation in various School activities. An Orientation Program will be held for the parents of grade 8 students from 1:00 p.m. to 1:30 p.m. as part of the Open House.

This week-end Corvuss American Academy hosted two events on our campus: a football camp for boys under 15 in collaboration with Bengaluru Internatiinal Football Academy, and a UTR Tennis tournament for boys and girls under 18. It was a great opportunity for our students to further develop their skills and have fun with their peers. Our Sports Co-ordinator Mr. Cornell Chapman and our coaches and teachers worked diligently to ensure that these events were a great success.

Moreover, we are excited to share that Arjuna awardee Mr MM Somaya, former Captain of the Asian Cup hockey team graced us with his presence as a guest speaker on 13th April 2024. His interactive session with both staff and students was truly inspiring and enriching.

As we approach the final stretch of this academic year, we emphasize the utmost importance of regular attendance and active participation in curricular and co-curricular activities as every moment of learning becomes invaluable. Thank you for your continued support cooperation.

I look forward to meeting each one of you on Friday 26 April 2024.

# DEAN OF STUDENTS

**-JEFFERY M. LOVE**

---

Dear Raven Community,

As we approach the close of another academic term, I want to take a moment to reflect on the incredible achievements of our students and the promising opportunities that lie ahead. Your hard work and dedication have not gone unnoticed, and as your Dean of Students, I am immensely proud of the progress each of you has made.

With the final weeks of school upon us, it's crucial that we stay focused and finish strong. I encourage each of you to take full advantage of the resources available at our school. Our Counseling team is here to support you in preparing for exams, planning for the next academic year, and setting personal goals. Remember, a little planning now can set the stage for great success in the future.

I urge all students to continue utilizing our comprehensive Counseling programs. Whether you are a freshman looking ahead or a senior preparing for college, our counselors are equipped to help you navigate your academic and personal growth. This support is invaluable as you make critical decisions that shape your future.

As we step into warmer days, I also want to remind everyone about the importance of staying hydrated. The increased temperatures can affect your concentration and overall health. Please make sure to drink plenty of water throughout the day, whether you are in school or enjoying outdoor activities.

Stay focused, stay hydrated, and stay eager to make the most of every day at Corvuss American Academy. Here's to a successful end to term 3 and an even brighter start to term 4!

Best regards,

Jeffery M. Love

Dean of Students

# ACADEMICS

**-UNNATI RAHERIA ( ART TEACHER / HINDI TEACHER )**

Celebrating World Art Day in school is a wonderful way to recognise the importance of creativity and expression. Displaying artwork created by students not only showcases their talents but also fosters a sense of pride and accomplishment. Madhubani art, with its rich cultural heritage, realistic art capturing the nuances of life and abstract art exploring forms and emotions, offers a wide range of perspectives and techniques for students to explore.

## ON THE TRACK - SPORTS UPDATE

**-SONGACHAN KASHUNG ( FOOTBALL COACH )**

---

Corvuss American Academy's two-day football camp was a transformative experience for 15 talented players selected during the Leno tournament. Under the expert guidance of coaches Petros and Achan, the camp provided a holistic approach to skill development and player enrichment.

Throughout the camp, players engaged in video analysis sessions, utilizing cutting-edge equipment like Veo cameras and GPS trackers to enhance their understanding of game strategies and individual performances. In addition to on-field activities, participants underwent rigorous strength and conditioning assessments, received personalized nutrition reports and attended informative classes on sports diet to optimize their athletic performance. The camp wasn't just about physical training; it also focused on holistic well-being.

A lively Zumba session boosted morale and promoted camaraderie among players, while soothing recovery sessions in the swimming pool provided much-needed relaxation and rejuvenation after intense training.
