

PREPARING FOR SUCCESS: TERM 1 SUMMATIVE ASSESSMENTS

- ZACHARIAH PETERS

As we navigate the academic journey, it's essential to pause and reflect on our progress. This week at CAA, we've been diligently preparing for the upcoming Term 1 Summative Assessments. These assessments serve as milestones in our educational path, offering an opportunity to showcase our knowledge and growth.

What's Ahead:

Starting on the 6th of November, our students will engage in their Term 1 Summative Assessments. These assessments are a culmination of their efforts, skills, and dedication throughout the term. It's a moment for them to demonstrate their understanding of the subjects they've been exploring in their courses.

A Commitment to Excellence:

At CAA, we are committed to nurturing not only academic excellence but also the holistic development of our students. Term 1 Summative Assessments are one step in this journey. Our dedicated educators and support staff have been working tirelessly to provide the best learning experiences and resources to help you excel.

Support and Resources:

As you prepare for your assessments, don't hesitate to reach out to your teachers if you have questions or need additional support. They are here to guide you and ensure your success.

A Bright Future Awaits:

With these assessments, you're not just marking the end of Term 1; you're taking a step forward on your academic path. Embrace the opportunity to learn, grow, and push your boundaries. The lessons you learn during this time will serve you well in the future.

We encourage all students to approach the Term 1 Summative Assessments with confidence and a growth mindset. Success is not only defined by the scores you achieve but by the knowledge and skills you gain along the way. We wish you all the very best in your preparations and assessments. Keep your spirits high, stay focused, and let your hard work shine. We believe in you and are excited to see the remarkable results of your dedication.

RAVEN OF THE WEEK - LAXMI YADAV

- LATOIYA PASCUA

Dear Corvuss American Academy Community,

It is with great pleasure that we introduce our outstanding "Raven of the Week," Laxmi Yadav, a remarkable student-athlete who has left an indelible mark both on and off the basketball court!

Head Basketball Coach Andre Godfrey had this to say about Laxmi:

"Her hard work and dedication to getting better on the court and in the classroom is second to none. On the court, she works extremely hard without ever complaining and always wants to do more. She would make any college program proud to have her on their basketball team. In the classroom, I get nothing but rave reviews about her hunger to get better and be better. There is nothing she won't be able to accomplish in her future."

Laxmi's unwavering commitment to her personal growth is truly commendable. She is a shining example of the values we hold dear at Corvuss American Academy – dedication, resilience, and a thirst for knowledge.

Her passion for basketball and her continuous efforts to improve her skills on the court have not gone unnoticed. Laxmi embodies the spirit of a true team player, always striving to go the extra mile, and never shying away from the hard work required to excel.

In the classroom, Laxmi's hunger for knowledge and her pursuit of excellence have earned her well-deserved praise from her teachers and peers. Her dedication to both her academics and her athletic pursuits is a testament to her character and her bright future ahead.

We celebrate Laxmi Yadav as our "Raven of the Week" and are immensely proud to have her as part of the Corvuss American Academy community.

Please join us in congratulating Laxmi for her outstanding achievements and for the inspiring example she sets for us all.
